Other directions or services needed while boarding: _____

San Ramon Veterinary Hospital is pleased to have your pet staying with us for the above indicated dates. While your pet is staying here, if an emergency should arise, we will do the utmost to contact you. If it is not possible to reach you, the individual named as Emergency Contact above has the power to authorize treatment in my absence. If San Ramon Veterinary Hospital is unable to contact me or my authorized representative, SRVH has my authorization to provide quality veterinary care as my animal may require, and I will be financially responsible to such care. _____ Please initial.

If fleas are found on your pet, for the protection of all pets in the hospital, a flea bath and an application of Frontline will be applied or Capstar will be administered at your expense. Prices will be discussed upon your pet's arrival for boarding.

A pet in a confined, unfamiliar situation may soil in the kennel and/or on themselves. If this should happen, in the interest of keeping SRVH a properly cleaned and sanitized environment, your pet will need to be bathed at your expense. Every effort will be made to provide the best care possible to avoid this situation from occurring.

All boarding dogs are walked three times Monday through Saturday and twice on Sunday. We provide your pet clean fluffy towels for bedding each day. Due to space we are unable take in personal beds.

SRVH is primarily a veterinary hospital. It is required by law to have a current client/patient relationship with you for your pet to board in this facility. New boarding patients will need to have a doctor exam before boarding.
